PRESIDENT'S COMMENTS - Robert Herbig

“Tis the Set of the Sails and Not the Gales Which Decide the Way to Go!”

Reflecting back on this past year, I sometimes wonder if we made any progress, then I step back; look and realize our Association made great strides. As a former superintendent of schools I used as a guiding principle, “If it’s good for kids, it’s probably good!” That same principle could be used here at the City Lake. “If it’s good for the lake, it’s probably good!”

Our Association has accomplished some amazing things this past year. In 2006, we set some lofty goals as outlined in our Master Plan. We set the sails of our ship and moved forward. Yes, there were some extremely tough struggles but we never forgot our vision, our goals, and our mission! We stayed the course and because we did our dreams for quality lake living were being realized.

Through the diligent efforts of many people, the City Lake property is now platted. Communication between the CGCLA and the City of Council Grove has greatly improved. The Master Plan has been updated through the collaborative efforts of the Lake Association and citizens of Council Grove. The Board of Directors has developed a list of priorities for continued improvement at the City Lake from input received from the CGCLA members. A plan for improving the City Lake water level while providing a quality water source for the community of Council Grove has been researched and is being presented to key stakeholders. Our Marketing Committee is working closely with the Council Grove Chamber of Commerce in helping promote business in the area. And, as always, City Lake residents can always be counted on to volunteer their time and talents to the various activities throughout the area.

I know there’s more! The communication within the City Lake community has been wonderful! As I have mentioned before, “SCESS is Nothing Without U!” Enjoy the “Gem of the Flinthills!” There’s not much better!

Property Taxes for Council Grove City Lake

On May 28, the 8th Circuit Court judge of Kansas heard arguments for and against the Morris County appeal of the BOTA ruling regarding lot valuation and took the appeal under advisement. He commented that his ruling might be a while in coming as these arguments were supported by “5000” pages of documentation.

The "Council Grove City Lake Association 7th Annual Charity Golf Tournament" was held at the Council Grove Country Club on Saturday, May 14, 2016. A total of 38 golfers played in the 2- man scramble tournament.

Once again, the weather cooperated and a great time was had by all the golfers who played, as well as those friends, family, and guests who attended the post-tournament awards ceremony and raffle. The 1st place team winners were Don & Chad Alderman, 2nd place winners were Cody Catlin & Pickett, with 3rd place going to the team of Jody Clark & Matt Lawrenz. Winner of the "closest-to-the-pin" contest was Jim Flickinger from Newton, Ks. 1st, 2nd and 3rd place teams were awarded trophies, while the "closest-to-the-pin" winner received a new golf bag, Ping putter and Ping rescue club. The BIG winner was the USD 417 Educational Enhancement Fund with a total donation from the tournament sponsors, participants, and guests being \$4,812.28

A very special thanks to all those who bought raffle tickets, and those who donated just because they wanted to support this event. Without your generous support, this charity event would not have been a success.

On a personal note, I would like to thank all the volunteers who helped me organize and run this golf tournament. I am forever indebted to Renee & Jerry Roths, Lisa Palmer, Dick Heinemann, Edd Wallace, and all the volunteers who helped make this event a huge success. A very special "thank you" to all the ladies who made baked beans, coleslaw, potato salad, cookies and pies. Also, a very special shout-out to all my golfing buds from Newton who came out to support me and this charity tournament. It would not have been as successful without your support and I can never thank you all enough.

Sincerely,

John Nicodemus
Charity Golf Tournament Chairman

BOARD OF DIRECTORS FOR 2016-2017

At the annual June meeting of CGCLA, Gary Catlin, Dave Fritchen, Ed Hooper, Tom Nurnberg and Jerry Roths were re-elected to the board. New member to the board, Marty Wright, was elected to replace Andy Hutter, who has served the board so well for many years. These join Joyce Hutter, Robert Herbig, Larry Fisher, Larry Heyka and Jim Steckart to complete the board. The board will elect their own officers at their next meeting.

City Lake Advisory Committee Report:

Currently, items under discussion are:

- Possible extension westward of the high speed region of the lake.

- City council request for advice on how to proceed with their concern regarding the future need of a sewer system.
- Protocol for LAC handling the advice regarding potentially expensive city projects.
- Ownership identification of items stored in the commons areas.

It is sometimes desirable in the interest of emergency, safety, damage or area maintenance to contact the owner of property such as trailers, boats, vehicles, miscellaneous material/equipment, etc. that are parked or stored on and off the leasehold property. Please be advised that if the property item is not stored on the leasehold property, then it is on City property. In either case it may be necessary to identify the owner.

For that reason we request that you mark all such items in a conspicuous and permanent manner with the following information.

PROPERTY OF:
NAME: _____
CABIN NUMBER: _____
PHONE NUMBER: _____
DATE: _____

Your cooperation is greatly appreciated.

The City of Council Grove and Council Grove City Lake Board of Directors.
